

## Chester & District Radio Society Questionnaire – September 2010

From time to time the committee seeks to test the opinions of members to ensure that our programme of meetings and events is in line with the general consensus of opinion. **Please take time to complete the questionnaire and return it (by hand, post or email) to our Hon Secretary by the end of September.**

The questionnaire uses the popular system of testing your agreement to a statement. **Please mark each item with a number from 0 to 10, such that a mark of 0 means you completely disagree and a mark of 10 means you are in full agreement.**

**Don't sit on the fence!**

<b>Statement</b>	<b>I agree with the statement</b>
1. We have enough lectures on general technical issues	
2. We have enough lectures on operating practices	
3. We have enough lectures on older/obsolete equipment	
4. We have enough lectures on antennas	
5. We have enough lectures on data modes	
6. We have enough lectures on construction techniques	
7. We have enough construction projects for equipment owned by the club	
8. We have enough construction projects for equipment owned by members	
9. We have the right number of Operating Evenings each month	
10. We have enough Surplus Equipment Sales	
11. We have enough Outdoor Operating events during the year	
12. I like meetings looking back on our old photo/video archives	
13. I like meetings looking at videos of current members shacks	
14. I like interactive meetings where we can all talk about equipment we own	

15. I look forward to our annual constructional contest	
16. I like Inter Club activities such as the quizzes like we have with the WADRC	
17. I like lectures/demonstrations on new equipment
